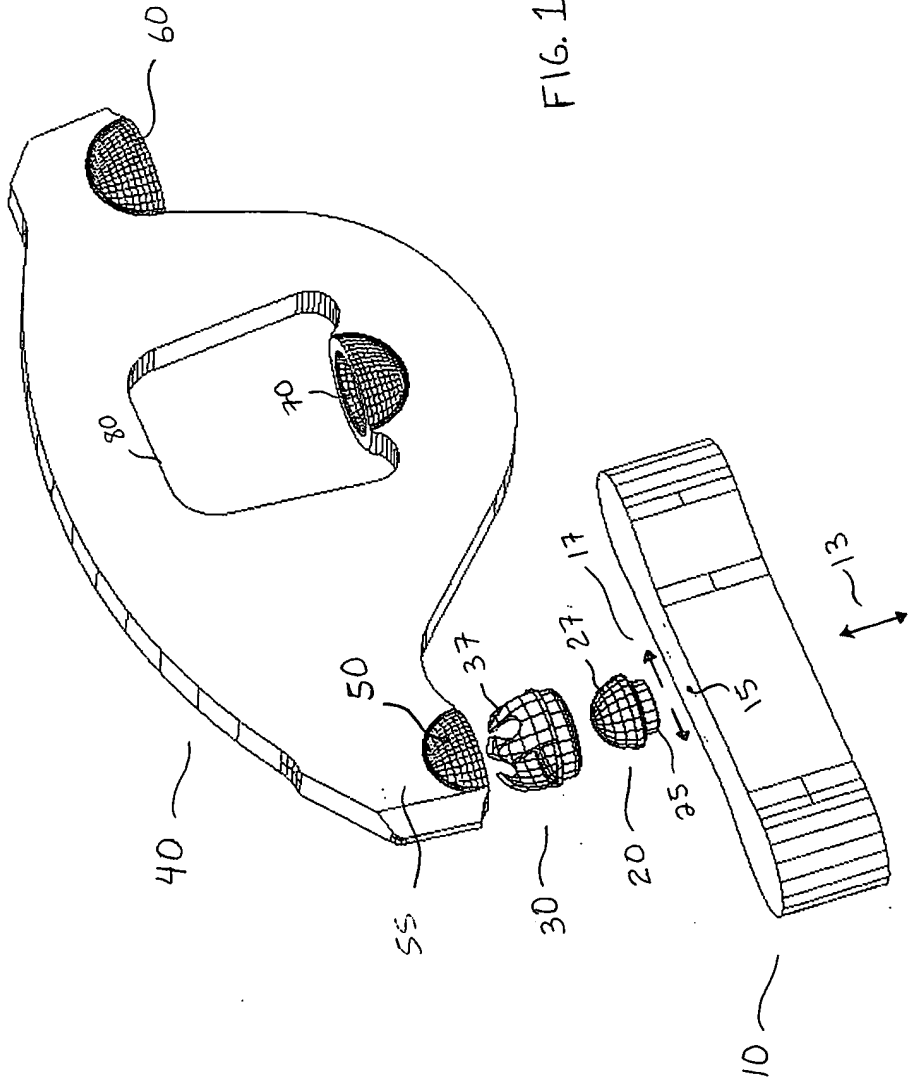

FIG. 1

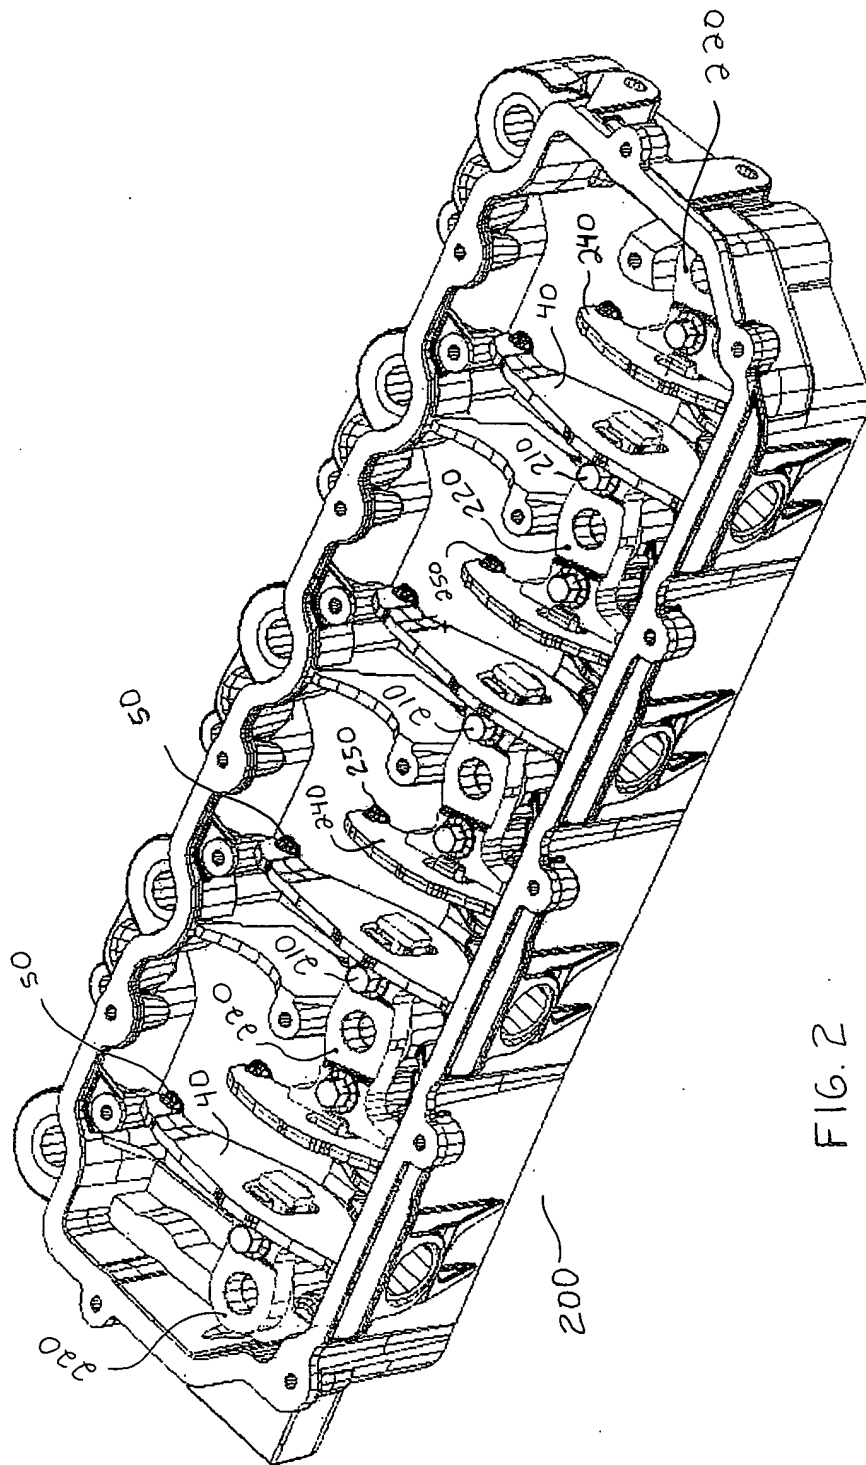

FIG. 2

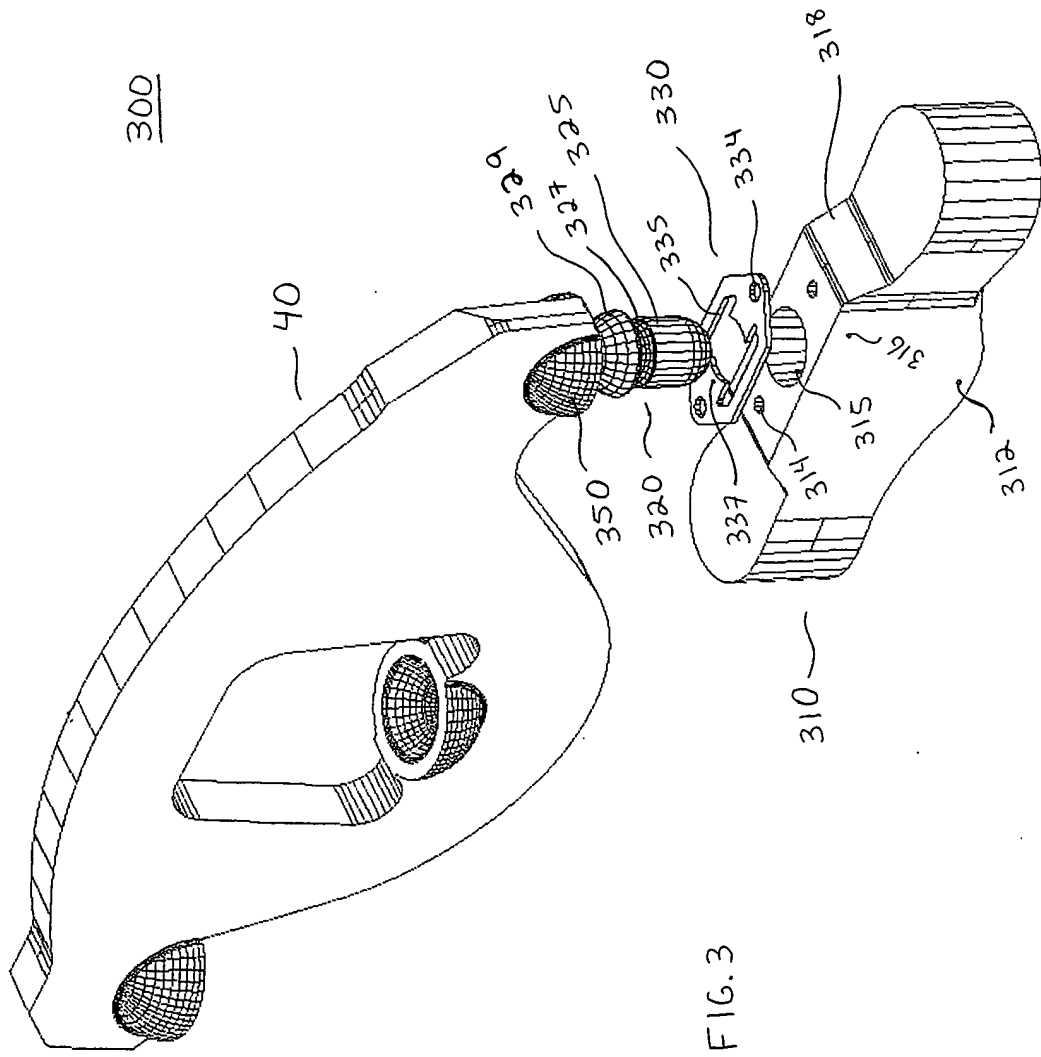

FIG. 3

300

FIG. 4 is a perspective view of a device 300, showing a main body 40 with a central opening 310. The device includes a top surface 312, a bottom surface 314, and a side surface 316. A central opening 310 is defined by a top edge 318 and a bottom edge 320. The top edge 318 is formed by a series of rounded, protruding elements 329, 327, and 325. The bottom edge 320 is formed by a series of rounded, protruding elements 330 and 425. The side surface 316 is formed by a series of rounded, protruding elements 350 and 405. The device 300 is shown in a perspective view, with the main body 40 and the central opening 310 being the primary features.
